

Amendments to the specification:

BRIEF DESCRIPTION OF THE DRAWINGS

Figure 1[A] is a perspective view of the assembled soccer goal frame of the present invention showing the connected members and the section and screw placement in such members;

[Figure 1B is another perspective view of the assembled soccer goal frame identifying structural locations and connections that will be described subsequently;]

Figure 2 is a side elevational view of the goal frame shown in Figure 1;

Figure 3 is a front elevational view of the goal frame shown in Figure 1;

Figure 4A is a plan view of the soccer goal frame shown in Figure 1;

Figure 4B is an enlarged and isolated view of the connection of the top horizontal member, a vertical side support and a rearward bracing member;

Figure 5 is a perspective and enlarged view of the connection of one end of the horizontal ground member to the bracing member lower end;

Figure 6A is a top perspective view of a segment end-to-end joint connector for the smaller tubing;

Figure 6B is a lower perspective view of the connector shown in Figure 6A;

Figure 6C is another perspective view of the assembled soccer goal frame utilizing extensions in the vertical side supports, the top horizontal member and the horizontal ground member;

Figure 6D is a perspective and exploded view of the connector joining two segments to form the top horizontal member;
